

David McKee
ELMER
a dúha

Elmer sa ukrýva v jaskyni pred búrkou. Spolu s ním sú tu ďalšie slony, dokonca aj vtáčiky. „Milujem búrku s bleskami,“ povie Elmer nadšene. „Po nej totiž prichádza dúha.“

A vibrant, stylized illustration of a landscape. In the foreground, a large, textured yellow mound of earth or grass is visible. To the left, a large tree trunk with brown and green tones is partially shown. In the center, a large tree with a thick, brown trunk and a canopy of large, fan-shaped, light orange leaves stands prominently. To the right, another tree with a trunk decorated with horizontal stripes of pink, red, white, and black, and a canopy of bright orange leaves is visible. The background features rolling hills in shades of orange and brown. The sky is a bright pink, filled with numerous small, glowing yellow circles. A multi-colored rainbow (red, white, green, blue, purple) is partially visible on the right side of the image.

Po hrmavici vykuknú všetky zvieratá von. Elmerovi však dopadne na hlavu zopár kvapiek. „Ach,“ vyhrkne, „ešte stále prší!“ „To asi plače dúha,“ hovorí ktorýsi vtáčik. „Zjavila sa priskoro a stratila farby! Pozrite sa!“
